This interim report does not include all the notes of the type normally included in an annual financial report. Accordingly, this interim report is to be read in conjunction with the annual report for the year ended 30 June 2025 and any public announcements made in respect of DNR Capital Australian Equities High Conviction Fund during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

This interim report covers DNR Capital Australian Equities High Conviction Fund as an individual entity. The Responsible Entity of DNR Capital Australian Equities High Conviction Fund is The Trust Company (RE Services) Limited (ABN 45 003 278 831) (AFSL 235150). The Responsible Entity's registered office is Level 14 Angel Place, 123 Pitt Street, Sydney NSW 2000.

Directors' Report

The Trust Company (RE Services) Limited (ABN 45 003 278 831) (AFSL 235150) is the responsible entity (the "Responsible Entity") of DNR Capital Australian Equities High Conviction Fund (the "Fund"). The directors of the Responsible Entity (the "Directors") present their report together with the condensed financial statements of the Fund for the half-year ended 31 December 2025.

Principal Activities

The Fund is a registered managed investment scheme domiciled in Australia.

The Fund invests in a high conviction portfolio of Australian equities that aims to outperform the S&P/ASX200 Total Return Index by 4% p.a. over a rolling three-year period.

The Fund was constituted on 11 March 2015 and commenced operations on 11 June 2015.

The Fund did not have any employees during the half-year.

There were no significant changes in the nature of the Fund's investment activities during the half-year.

Directors

The Directors of The Trust Company (RE Services) Limited during and appointed within the half-year and up to the date of this report are shown below. The Directors were in office for this entire period except where stated otherwise:

Name

| | |
|-------------------|---|
| Alexis Dodwell | Director |
| David Manoukian | Director (Appointed effective 17 November 2025) |
| Glenn Foster | Director |
| Vicki Riggio | Director (Resigned effective 16 November 2025) |
| Phillip Blackmore | Alternate Director for David Manoukian |

Review and results of operations

During the half-year, the Fund invested in accordance with the investment objective and guidelines as set out in the governing documents of the Fund and in accordance with the provision of the Fund's Constitution.

Results

The performance of the Fund, as represented by the results of its operations, was as follows:

| | Half-year ended | |
|--|-----------------------------|---------------------|
| | 31 December 2025 | 31 December 2024 |
| Operating profit/(loss) before financing cost for the half-year (\$'000) | (28,560) | 83,821 |
| Retail Class Units | | |
| Distributions paid and/or payable (\$'000) | 22,126 | 23,168 |

| Distributions paid and/or payable (\$'000) | 1,150 | 1,021 |
| Distributions (cents per unit) | 1.5645 | 1.5531 |

Significant changes in state of affairs

On 16 November 2025, Vicki Riggio resigned as a Director of the Responsible Entity.

On 17 November 2025, David Manoukian was appointed as a Director of the Responsible Entity.

In the opinion of the Directors, there were no other significant changes in the state of affairs of the Fund that occurred during the half-year.

Directors' Report (continued)

Matters subsequent to the end of the half-year

No matter or circumstance has arisen since 31 December 2025 that has significantly affected, or may significantly affect:

- (i) the operations of the Fund in future financial years, or
- (ii) the results of those operations in future financial years, or
- (iii) the state of affairs of the Fund in future financial years.

Likely developments and expected results of operations

The Fund will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

The results of the Fund's operations will be affected by a number of factors, including the performance of investment markets in which the Fund invests. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Indemnification and insurance of officers and auditors

No insurance premiums are paid for out of the assets of the Fund in regard to the insurance cover provided to either the officers of the Responsible Entity or the auditors of the Fund. So long as the officers of the Responsible Entity act in accordance with the Fund's Constitution and the *Corporations Act 2001*, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund.

The auditors of the Fund are in no way indemnified out of the assets of the Fund.

Units in the Fund

The movement in units on issue in the Fund during the half-year is disclosed in Note 7 of the condensed financial statements.

The value of the Fund's assets and liabilities is disclosed in the Statement of financial position and derived using the basis set out in Note 2 of the condensed financial statements.

Environmental regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under Commonwealth, State or Territory law.

Rounding of amounts to the nearest thousand dollars

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the Directors' report. Amounts in the Directors' report have been rounded to the nearest thousand dollars in accordance with the ASIC Corporations Instrument, unless otherwise indicated.

Auditor's independence declaration

A copy of the Auditor's Independence Declaration as required under section 307C of the *Corporations Act 2001* is set out on page 4.

This report is made in accordance with a resolution of the Directors of The Trust Company (RE Services) Limited.

1 General information

These condensed financial statements cover DNR Capital Australian Equities High Conviction Fund (the "Fund") as an individual entity. The Fund was constituted on 11 March 2015 and commenced operations on 11 June 2015. The Fund will terminate in accordance with the provisions of the Fund's Constitution.

The Trust Company (RE Services) Limited (ABN 45 003 278 831) is the responsible entity of the Fund (the "Responsible Entity"). The Responsible Entity is incorporated and domiciled in Australia, and its registered office is Level 14 Angel Place, 123 Pitt Street, Sydney, NSW 2000.

The investment manager of the Fund is DNR Capital Pty Ltd (the "Investment Manager").

The investment objective of the Fund is to outperform the S&P/ASX200 Total Return Index by 4% p.a. over a rolling three-year period. The Fund invests in a high conviction portfolio of Australian equities.

The condensed financial statements of the Fund are for the half-year ended 31 December 2025. The condensed financial statements are presented in Australian dollars, which is the functional currency of the Fund.

The condensed financial statements were authorised for issue by the directors of the Responsible Entity (the "Directors of the Responsible Entity") on 9 March 2026. The Directors of the Responsible Entity have the power to amend and reissue the condensed financial statements.

2 Summary of material accounting policies

The principal accounting policies applied in the preparation of these condensed financial statements are set out below. These policies have been consistently applied to all periods presented, unless otherwise stated in the following text.

(a) Basis of preparation

These condensed financial statements have been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. The Fund is a for-profit entity for the purpose of preparing the interim financial statements.

The Statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within twelve months, except for investments in financial assets and financial liabilities at fair value through profit or loss and net assets attributable to unitholders.

The Fund manages financial assets at fair value through profit or loss based on the economic circumstances at any given point in time, as well as to meet any liquidity requirements. As such, it is expected that a portion of the portfolio will be realised within twelve months, however, an estimate of that amount cannot be determined as at half-year end.

(b) Material accounting policies

The accounting policies applied in these condensed financial statements are the same as those applied to the Fund's financial statements for the year ended 30 June 2025.

These interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2025 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

There are no other standards, interpretations or amendments to existing standards that are effective for the first time for the half-year beginning 1 July 2025 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

3 Rounding of amounts

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the condensed financial statements. Amounts in the condensed financial statements have been rounded to the nearest thousand dollars in accordance with the ASIC Corporations Instrument, unless otherwise indicated.

4 Comparative revisions

Comparative information has been revised where appropriate to enhance comparability. Where necessary, comparative figures have been adjusted to conform with changes in presentation in the current period.

5 Fair value measurement

The Fund measures and recognises the following assets and liabilities at fair value on a recurring basis.

- Financial assets at fair value through profit or loss (see Note 6)

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value hierarchy:

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

(i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Fund values its investments in accordance with the accounting policies set out in Note 2 to the condensed financial statements. For the majority of investments, information provided by independent pricing services is relied upon for valuation of investments.

The quoted market price used to fair value financial assets and financial liabilities held by the Fund is the last-traded prices.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(ii) Valuation techniques used to derive level 2 and level 3 fair value

The fair value of financial assets and liabilities that are not exchange-traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This may be the case for certain unlisted shares, certain corporate debt securities and unlisted unit trusts with suspended applications and withdrawals.

Where discounted cash flow techniques are used, estimated future cash flows are based on the Investment Manager's best estimates and the discount rate used is a market rate at the end of the reporting period applicable for an instrument with similar terms and conditions.

For other pricing models, inputs are based on market data at the end of the reporting period. Fair values for unquoted equity investments are estimated, if possible, using applicable price/earnings ratios for similar listed companies adjusted to reflect the specific circumstances of the issuer.

Some of the inputs to these models may not be market observable and are therefore estimated based on assumptions.

5 Fair value measurement (continued)

(ii) Valuation techniques used to derive level 2 and level 3 fair value (continued)

The output of a model is always an estimate or approximation of a value that cannot be determined with certainty, and valuation techniques employed may not fully reflect all factors relevant to the positions the Fund holds. Valuations are therefore adjusted, where appropriate, to allow for additional factors including liquidity risk and counterparty risk.

The carrying value less impairment provision of other receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Fund for similar financial instruments.

The determination of what constitutes 'observable' requires significant judgment by the Investment Manager. The Investment Manager considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary and provided by independent sources that are actively involved in the relevant market.

Recognised fair value measurements

The following table presents the Fund's financial assets and liabilities measured and recognised at fair value as at 31 December 2025 and 30 June 2025.

| At 31 December 2025 | Level 1 \$'000 | Level 2 \$'000 | Level 3 \$'000 | Total \$'000 |
|---|---------------------------|---------------------------|---------------------------|-------------------------|
| Financial assets at fair value through profit or loss: | | | | |
| Listed equities | 1,678,287 | - | - | 1,678,287 |
| Total | 1,678,287 | - | - | 1,678,287 |
| | | | | |
| At 30 June 2025 | Level 1 \$'000 | Level 2 \$'000 | Level 3 \$'000 | Total \$'000 |
| Financial assets at fair value through profit or loss: | | | | |
| Listed equities | 1,797,757 | - | - | 1,797,757 |
| Total | 1,797,757 | - | - | 1,797,757 |

(i) Transfers between levels

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between the levels in the fair value hierarchy for the half-year ended 31 December 2025 (June 2025: no transfers).

(ii) Fair value measurements using significant unobservable inputs (level 3)

The Fund did not hold any financial instruments with fair value measurements using significant unobservable inputs during the period 31 December 2025 or at 30 June 2025.

(iii) Valuation processes

Portfolio reviews are undertaken regularly by the Investment Manager to identify securities that potentially may not be actively traded or have stale security pricing. This process identifies securities which possibly could be regarded as being level 3 securities.

Further analysis, should it be required, is undertaken to determine the accounting significance of the identification. For certain security types, in selecting the most appropriate valuation model, the Investment Manager performs back testing and considers actual market transactions. Changes in allocation to or from level 3 are analysed at the end of each reporting period.

(iv) Fair values of other financial instruments

The Fund did not hold any financial instruments which were not measured at fair value in the condensed Statement of Financial Position. Due to their short-term nature, the carrying amounts of receivables and payables are assumed to approximate fair value.

| Closing balance | 1,026,971 | 1,052,427 | 1,706,605 | 1,840,053 |

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are two separate classes of units and each unit has different rights attaching to it as all other units of the Fund.

Capital risk management

The Fund considers its net assets attributable to unitholders as capital, notwithstanding that net assets attributable to unitholders are classified as a liability at 31 December 2025, under Australian Accounting Standards. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Investment Manager. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust redemption of units if the exercise of such discretion is in the best interests of unitholders.

8 Distributions to unitholders

Distributions are payable at the end of each financial period. Such distributions are determined by reference to the net taxable income of the Fund.

The distributions for the period were as follows:

| | Half-year ended | | Half-year ended | |
|--|-------------------------------|-----------------------------|-------------------------------|-----------------------------|

Independent auditor's review report to the unitholders of DNR Capital Australian Equities High Conviction Fund

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of DNR Capital Australian Equities High Conviction Fund (the Fund) which comprises the condensed statement of financial position as at 31 December 2025, the condensed statement of comprehensive income, condensed statement of changes in equity, condensed statement of cash flows, for the half-year ended on that date, selected explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of DNR Capital Australian Equities High Conviction Fund does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Fund's financial position as at 31 December 2025 and of its performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the directors for the half-year financial report

The directors are responsible for the preparation of the half-year financial report, in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2025 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
